The screenshot shows the 'API Key' page on the OMDb website. At the top, there's a navigation bar with 'OMDb API', 'Become a Patron', 'Donate', and 'Contact'. Below this is the 'API Key' title. A warning banner states: '10/05/22 Email Delay! If your requested key doesn't show up within an hour, please contact me directly.' The main form is titled 'Generate API Key'. It has two radio buttons for 'Account Type': 'Patreon' and 'FREE! (1,000 daily limit)'. The 'FREE!' option is selected. There are input fields for 'Email', 'Name' (split into 'First Name' and 'Last Name'), and 'Use' (a text area). A 'Submit' button is at the bottom of the form. Below the form, there are links for 'Legal' and 'Donate', and a disclaimer: 'API by Brian Fritz. All content licensed under CC BY-NC 4.0. This site is not endorsed by or affiliated with IMDb.com.'

Step 03: Go to the email service added in the previous step. You can find your API key and a link to activate it there.
